

A Guide to South Carolina Civil War Research

By John C Rigdon

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is designed to aid and guide your research of South Carolina in the Civil War. Many beginning and some experienced researchers try to do their research in a vacuum, without considering that all of our ancestors were involved in different social, cultural, religious, and political events. Many participated in wars, had extended families, and worked either on a farm or at other business activities. A proper study of these ancillary events that made up their lives is not only rewarding, but is the key to turning up the golden nuggets or clues for proceeding with your research. To accomplish genealogy research within the broader context of historical sociology or social history, approach your research topic considering the relevancy and interaction of each of the following elements with your subject: political, cultural, economic, linguistic, legal, geographical, and chronological. Basically research can be broken down into 3 areas: People Places Events This book focuses on the people from South Carolina who fought in the war. In a concise, well-organized format, we show you how to identify and organize...
