When Eric learns about an unusual contest, he realizes that winning the grand prize will help him make his daughter s dreams come true. But he ll have to overcome his own self-doubt - not to mention the seemingly impossible odds - in order to achieve that goal. However, this isn t your run-of-the-mill sweepstakes. Everyone who eats the product develops an insatiable craving for more. Plus, the people behind the contest are dispatching everything from spy cameras to attack helicopters to make sure that Eric doesn t get any further. As Eric soon learns, the contest was only the first phase of a much larger plan. If the villains are successful, they will spread a dangerous supernatural pathogen throughout the food supply.
