Old Beaver s idyllic valley, where he built so many dams, is under threat from developers of a luxury hotel. When bulldozers and steam shovels arrive, he and his friends organize in what looks like an uphill battle. Meanwhile, a little girl who loves nature hears about the hotel and joins the fight. Can they succeed? Old Beaver s mysterious dream about the red rock offers unexpected hope. Beautifully illustrated, The Red Rock is a persuasive tale about the importance of loving -- and preserving -- an increasingly threatened environment.
