Watson-Guptill, United States, 2015. Paperback. Book Condition: New. 251 x 249 mm. Language: English . Brand New Book. Korean artist Daria Song's sequel to The Time Garden takes readers on a visual journey into a magical nighttime world seen through the eyes of a fairy. This second book in the bestselling Time coloring series features the voyage of a fairy who, when the cuckoo clock chimes midnight, enters the human world. To the tiny fairy, everything seems enormous and magical, from the curtains to the chandelier to a mystical rowboat that takes her further into an inky adventure. With her she packs her favorite items, which colorers can find throughout the book's pages: an owl-feathered pen, a star-scented spray, a time tape measure even the key to the time chamber itself! Filled with the imaginative, intricately detailed illustrations Song's readers have come to love, The Time Chamber presents a view of our world made new and ready for coloring. The Time Chamber features extra-thick craft paper, ideal for non-bleed-through coloring, and the jacketed cover with flaps is removable and colorable. Special gold-foil stamping on the cover and spine and a To/From page make it perfect for gifting to adults and kids alike.
