Since the new curriculum reform, closely linked to teaching materials for college entrance examination, syllabus and examination shows that emphasis on basic knowledge, skills and methods, the proposition humane, no tricky question of strange questions, not the minutiae at make things difficult for students. This trend is specified for the Entrance Exam and the direction - pay attention to the basis. We are talking about here is based on basic knowledge, basic skills, the basic approach, saying a short step, a thousand miles based on the importance of clear, firmly in the hands of the foundation, basic, typical problems understand a good grasp of the formation of a methodical, contact the branch of clear knowledge network, will it be possible to improve the ability to analyze and resolve integration issues. College entrance examination question based on the degree of difficulty can be broadly divided into basic questions, mid-range problems and difficulties, the basic question in general to examine a single basic knowledge, it is easier, as long as you work hard, can score;...

### Reviews

*It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.*

-- **Doyle Schmeler**

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
