AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.COME GROW WITH ME is an inspirational book of children s poetry written from a child s point of view. These poems emphasize the many conflicting feelings of happiness, disappointment and fear during formative years. The importance of family ties and faith are exemplified as pointers in making decisions affecting interpersonal relationships. Ordinary Girl is about a wheelchair bound girl whose young neighbor will have nothing to do with her. Broccoli tells about a small boy who does not like vegetables but who eventually understands that by eating them he will become strong and healthy. My Little Brother tells of a young lad whose little brother tags along everywhere he goes but the boy soon realizes that he is setting an important example for his sibling. Our House explains how a girl from a very large family has to share even a bed with her sisters, and how she is waiting for their ship to come in. The book also includes poetry regarding the important role grandparents play in a child s life. It is the desire of the author that your child will find comfort and understanding in the growing and learning process of his or her life in these short poems. Two of the author s grandchildren have brittle bone disease therefore some of the proceeds of this book will benefit the Osteogenesis Imperfecta Foundation.
