Advanced praise for The Executive s Guide to Achieving Class A Business Excellence: . .I helped lead a major culture change in one of Cat s larger divisions. .we were made aware of the tremendous cost driven by our lack of attention to the many details of our processes and our inability to manage them. We.learned the disciplines necessary to give attention to what really counts - doing things right and doing them on time. This book answers the basic questions regarding the Class A journey we took. James Despaine, Caterpillar Inc. This Executive Guide is a realistic, no-nonsense summary of what executives face and must overcome to improve their business. Too often companies get bogged down in the process of process improvement. As this guide clearly demonstrates, Oliver Wight experts have learned and know how to keep the financials and improved business outcomes as the driving force in their capability improvement work. Richard Burns, former global product supply director, Procter and Gamble, NA Class A Implementation Leader...
