Paperback. Book Condition: New. Not Signed; Description: Parker Banks is having a hard time adjusting to his new life in New York after moving with his family from London following the tragic death of his mother. His father, a scientist, is under mounting pressure in his new job, and his sister Emma, despite being deaf, has had no problems making new friends. Then Parker's father, on the cusp of a technological breakthrough, is kidnapped. Alerted via E.F.E. - a device invented to help Emma communicate telepathically with her family - Parker, along with his sister, best friend Michael and an albino pig, embark on a rescue mission. But as their search progresses, it becomes clear that SIX, the project that Parker's father has been involved in against his will, is being run by a sinister enterprise - an enterprise whose work poses a threat not only to the Banks family, but to the world at large. book.
