Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

THE ENGLISH ELEMENTARY SCHOOL SOME ELEMENTARY FACTS ABOUT IT (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The English Elementary School Some Elementary Facts About It In writing this book I have had a very humble aim. Much information as to elementary education is floating about, but it is often rather out of reach; it is to be found in official documents, various periodicals, and people's memories; my endeavour has been to embody some of it in a convenient and semi-permanent form. The Blue-books contain a great deal of interesting matter, but they seldom find their way into non-official hands. They can, of course, be ordered through any bookseller, but booksellers do not keep them on sale, and the public are unfamiliar with them. The blue covers soon wear out, and all Blue-books, except the very smallest, are apt to come unsewn, and break in two. The compilers generally write for experts, so far as they can be said to write for anybody except themselves. They do not begin at the beginning of anything, so to speak, but take for granted much that the ordinary reader does not know, and consequently they puzzle him. They are dull, because they have to write in the official language, and with official caution and reticence. They cannot pass judgment on persons with whom their Department has relations, or utter opinions on any point the Department regards as controversial. Lastly, the Blue-book is apt to be indigestible, because it contains, along with matter of public interest, a great deal which is printed merely for administrative purposes. The annual volumes of the old Education Department used to exhibit glaring examples of this fault. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books....
