Reviews

This publication is worth getting. it was writtern really flawlessly and valuable. Its been designed in an exceedingly easy way and is particularly only right after i finished reading this ebook through which in fact altered me, affect the way i believe.

(Lester Ebert)

SUNCATCHERS STAINED GLASS PATTERN BOOK

Dover Publications Inc., United States, 1988. Paperback. Book Condition: New. 274 x 208 mm. Language: English . Brand New Book. Delight the eye and please the spirit with attractive stained glass sun - or lightcatchers. When time s at a premium, craftworkers will find miniature stained glass art just the thing to satisfy the creative urge. Lightcatchers need far less time to complete than larger projects but still produce a rainbow of dazzling colors. With over 100 pttterns to choose from, beginners can fashion a butterfly, birds, flowers, toys, a whale, dolphin and candle. For advanced craftworkers, there s a more challenging cornucopia brimming with fruit, a smiling sun and a clown. Hang these stunning showpieces in windows, on lampshades, in front of burning candles - anyplace where they can catch and refract the light. The results are spectacular. Templates of sturdy stock (many in actual project size) are ready to be cut out. Patterns can be enlarged, reduced or used as is - to suit personal needs. Stained glass artists will want to add this affordable volume to their working libraries as a source of gift ideas, holiday decorations or simply to create unique items for personal enjoyment.
