Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

THE PARADISE TRAP

Quercus Publishing. Paperback. Book Condition: new. BRAND NEW, The Paradise Trap, Catherine Jinks, Eleven year old Marcus loves video games and hates the beach. So he is not happy when his mum Holly drags him to Diamond Beach, the place she loved as a child. Once there, Holly meets Coco, her friend from her childhood. She is there with her electronics-obsessed husband, Sterling Huckstepp, and their kids, cool teenage Newt, pizza-loving Edison and the family robot, Prot. Opening a door into the basement of Holly's caravan, Edison discovers the most amazing amusement park. Whoever opens a door in the basement finds themselves in their very own dream vacation. But when the dream becomes impossible to escape from, it all begins to feel more like a nightmare: Marcus, Holly, and the Huckstepps find themselves trapped in a matrix of terrifyingly perfect dreamscapes peopled with strange characters that will allow them to do anything they want, except leave. A whirlwind adventure at a breakneck speed.
