Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

THOMAS NAST S CHRISTMAS DRAWINGS

Dover Publications Inc., United States, 1978. Paperback. Book Condition: New. 2nd Revised edition. 274 x 210 mm. Language: English . Brand New Book. Thomas Nast (1840 1902) created the images of Santa Claus which we recognize today. Here are his best-known illustrations of Santa Claus and Christmas. Included are his drawings of Santa perched atop snowy chimneys and his patriotic Civil War drawing, Santa Claus in Camp. Here are the first illustrations of Santa s workshop at the North Pole, of Santa in his sleigh, of Santa opening his mail and making a record of children s behavior. Here, too, are Nast s gently humorous drawings of children on Christmas Eve, showing them hanging enormous stockings, standing innocently under mistletoe, tracing Santa s route on a map of the world, and waiting up all night to catch a glimpse of Santa. This volume contains all of the familiar and beloved drawings which appeared in the 1890 edition of Thomas Nast s Christmas Drawings for the Human Race. But for clarity and fine detail, Dover photographed many from issues of Harper s Weekly from 1863 and 1886, in which most of Nast s Christmas drawings originally appeared.
