

The Honey Trail: In Pursuit of Liquid Gold and Vanishing Bees

Filesize: 1.83 MB

Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

St. Martin's Press, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for *The Honey Trail*: "Honey is one of our first foods, and perhaps no other offers such a window onto the world and its ways. In *The Honey Trail*, Grace Pundyk undertakes a mind-boggling journey to capture a global snapshot of honey, from the fabled deserts of Yemen to wild honey hunters in Borneo, high-tech honey factories in Beijing, and the migrant beekeepers of the American West. She gets places few have been, asks tough questions, and describes her experiences in lively and lambent prose. If you want to understand why honey has captivated humanity for millennia, *The Honey Trail* is the book for you." --Rowan Jacobsen, author of *Fruitless Fall: The Collapse of the Honey Bee and the Coming Agricultural Crisis* "Opening *The Honey Trail* is like opening a gorgeous flower, petal by petal, page by page, photo by photo. Pundyk's book is a pointed but optimistic tribute not just to honey but to those concerned individuals working to resolve the myriad of problems facing bees." --Tammy Horn, author of *Bees in America* "Grace Pundyk leads us on a fearless trek to exotic places where she exposes the truth behind the world of beekeeping and the decision makers in the business of honey. Jam packed with little known facts, readers will be captivated by Pundyk's marvelous stories and the glories of indulging in some of the world's finest honeys at their source. *The Honey Trail* is well worth the trip." --C. Marina Marchese, author of *Honeybee: Lessons from an Accidental Beekeeper* "Pundyk's passion for honey is as deep as a wine fanatic's dreams of Romanee Conti. I read the book with increasing fascination." -*Eat and Drink Magazine* "A gorgeous book, which is not only an eye opener but also a delight to..."
