This is an honest and moving account of a man enduring his wife s nearly fatal stroke, her recovery and rehabilitation, and his determination to bring her back to their own home. In vivid detail it reveals the life altering impact of ill health and disability on a family, their relationship, their work, their bank account, and their house, but most of all it is a testimony to the beautiful love affair between husband and wife. If ever there was a portrait of the wedding vows to love in sickness and in health this is it. Helena Drysdale Royal Literary Fund Fellow and Author.
