Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which I really altered me, altered the way in my opinion.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Children (and young-at-heart people of all ages) can easily learn how to read music step-by-step with this delightful book. Every page is in full color, and the fanciful graphics capture and hold the attention of young learners. The 15 light and concise note reading lessons are followed by 30 entertaining worksheet pages, in which the student practices what he learned by writing his own answers on the sheets. (See sample sheets at The worksheets, such as Squishy Slimy Things, Chihuahua Tutu Tango, and The New Gnu Knew are designed to engage the students through humor. Other worksheets use the language of music to ask a series of questions about the students themselves such as what s your favorite ice cream flavor or do you prefer soccer or baseball ? Teachers of any musical instrument can use this book with their students as a note-speller to reinforce their own lessons. Parents who can t read music themselves can easily help their children learn to read music with Wordspeller, but kids can usually learn on their own without assistance from an adult. The worksheet pages can be corrected as easily as you are reading this sentence because the kids correct answers will form common, everyday words. A United States patent was granted to the author of this book for the originality of the musical note teaching method that is exclusive to Wordspeller. The note reading lessons in this book apply to all musical instruments. The worksheet pages included in this book are Animals, It s All About You, Doodle on a Poodle, A Magical Mystery, Silly Pet Names, Fluffy s on Safari, What s Your Favorite?, Scary...
