Excerpt: . xiii medicine in the nineteenth century Even where the milder zone afforded man A seerning shelter, yet contagion there, Blighting his being with unnumbered ills, Spread like a quenchless fire; nor truth availed Till late to arrest its progress, or create That peace which first in bloodless victory waved Her snowy standard o'er this favoured clime. Happiness And Science dawn though late upon the earth; Peace cheers the mind, health renovates the frame; Disease and pleasure cease to mingle here, Reason and passion cease to combat there; Whilst mind unfettered o'er the earth extends Its all-subduing energies, and wields The sceptre of a vast dominion there. Shelley, The Daemon of the World. medicine in the nineteenth century 1 for countless generations the prophets and kings of humanity have desired to see the things which men have seen, and to hear the things which men have heard in the course of the wonderful nineteenth century. To the call of the watchers on the towers of progress there had been the one sad answer--the people sit in darkness and in the shadow of death. Politically, socially, and morally the race had improved, but for the unit, for the individual, there was little hope. Cold philosophy shed a glimmer of light on his path, religion in its various guises illumined his sad heart, but neither availed to lift the curse of suffering from the sin-begotten son of Adam. In the fulness of time, long...
