Brand New Book ***** Print on Demand *****.Blogosphere Madness (Ravings of a Religious Fanatic) In this book, we reach out to the world by recapping some of the issues that affected life on earth. We do not rehash the issues; rather, we place them in a relationship to religious practice. You may think that there is no reason to muddy the waters of current political and social actions by encasing them in a religious shell (though, we really do not have a choice in that matter). Actually, everything we do exists in a religious shell; since everything that we do has a relationship to this force of reality: truth. I do not say that without having a Scripture reference in mind. The authority for that thought is this portion of a rebuke of the LORD, as delivered to Moses siblings. And he said, Hear now my words: If there be a prophet among you, I the LORD will make myself known unto...
